Special feature:

After the great success of the first "1337 Gaming Mats" series which has won many awards and recommendations, Sharkoon responds to customer's demand and launches an XL sized (444 x 355 mm) version of the 1337 Gaming Mats.

These XL cloth mats also were engineered for highest precision to provide the competitive edge not only to "pro-gamers" but also to Office and CAD users.

Sharkoon offers the ultra-flat mouse mats in two different designs, "Aqua" and "Black".
